Title: Grants Program

Category: Community Services and Events

Date Last Adopted: 27 July 2020

1. Objectives

The policy sets out the City of Hobart’s approach to managing the Grants Program.

The objective of the Grants Program is to encourage and support the development and delivery of Hobart-based activities, events, projects and programs that have activation, community, cultural, economic, heritage or urban sustainability outcomes that align with the objectives of the City’s Vision, Strategic Plan and other relevant strategies.

2. Background

The term “grant” is defined as funds or products that are disbursed from one party (grant maker) to a recipient (grant seeker). All support provided through the City of Hobart Grants Program, be it cash or in-kind is referred to as a “grant” and recognised as hard costs.

The City of Hobart Grants Program provides transparent and equitable governance of the City’s grants.

Sponsorship arrangements held by the City of Hobart with other organisations are not grants and are defined as a commercial arrangement with the City of Hobart as the sponsor, or an external party sponsoring the City, and involve a contribution of money or in-kind support for an activity, in return for a certain specified benefit. Inbound City of Hobart sponsorships are guided by the ‘Inbound requests for sponsorship’ policy.

The administration of the Grants Program is detailed in the ‘City of Hobart Grants Program Administration’ document.

3. Policy

That:

1. The City makes grant funds available to assist eligible applicants as defined within the guidelines for each grant through the Grants Program.

5. The total grant funds, including cash and in-kind, available within each stream for a financial year will be approved by Council as part of the annual budget process.
6. All grant funds are contained within a single budget function that shall be reserved solely for this activity, except for Heritage Grant funds, which are administered through a designated trust.

11. Each grant stream and its relevant categories, except for City Partnerships, will be open to applications through funding rounds at set times each year.
12. Each grant round, except for City Partnerships and Major Cultural Organisation grants, will be advertised to the public.

14. Applications will be assessed according to the criteria within the guidelines for each grant category, as stipulated by the City of Hobart and provided on the City's website.
15. City officers who are not involved in grant assessments may consult with an applicant in order to assist the application to align with the Council's strategic objectives.
16. In circumstances where any lesser grant amount is offered by the City to a grant applicant, consultation with the applicant will be undertaken prior to the grant offer being made.
17. Deputations / presentations by applicant organisations to relevant Council Committees or Council meetings shall not be permitted following the closing date of grant rounds.
18. Grant streams that include a 'Quick Response' category will be open to applications throughout each financial year until such time as the annual budget allocation is fully allocated.

20. For grant amounts between \$1,001 and \$20,000 the assessment panel recommendations will be referred to the General Manager for approval.
