MEMORANDUM: LORD MAYOR
DEPUTY LORD MAYOR
ELECTED MEMBERS

RESURFACING OF ELIZABETH STREET

Meeting: City Infrastructure Committee

Meeting date: 22 September 2021

Raised by: Deputy Lord Mayor Burnet

Question:

I note that the resurfacing of Elizabeth Street in North Hobart is imminent. Can the Director advise if there is any opportunity to use Reconophalt/recycled materials in that project?

Response:

The tender specification will specify the minimum requirements for the works and all contractors will be encouraged to consider the use of recycled asphalt products in their tender. We will consider any recyclable products that meets the technical specifications and budget.

As signatory to this report, I certify that, pursuant to Section 55(1) of the Local Government Act 1993, I hold no interest, as referred to in Section 49 of the Local Government Act 1993, in matters contained in this report.
