PINK BOXES UPDATE

Meeting: Parks and Recreation Committee

Meeting date: 16 June 2022

Raised by: Councillor Fox

Question:

Can the Director advise if data has been collected in relation to the Pink Boxes that were installed in Council maintained facilities?

Response:

Between the start of January 2022 and the end of July 2022, 334 packets were dispensed (average of approximately 11 per week) from the Argyle Street Carpark machine and 711 packets were dispensed (average of 23-24 packets a week) from the Franklin Square facility.

As signatory to this report, I certify that, pursuant to Section 55(1) of the Local Government Act 1993, I hold no interest, as referred to in Section 49 of the Local Government Act 1993, in matters contained in this report.
