

Application for amendment to permit to occupy a public space (outdoor dining)

City of HOBART

Use this form if you are applying to **amend an existing permit to occupy** additional public space within the Hobart municipal area to:

- occupy public space that is not directly outside your business premises, but is in front of an adjoining property
- occupy a space such as a car parking space, laneway or other public space
- extend the existing permit area to occupy additional space, directly in front of your business.

Including the use of:

- tables, chairs, benches and gas heaters (for outdoor dining)
- furnishings and/or infrastructure associated with licenced beverage service, such as area barriers
- umbrellas
- other (such as bean bags).

A fee applies for occupying a public space. This will depend on the size of the area and the location.

A permit will only be issued if the safe and convenient access and movement of pedestrians is maintained.

For your application to be considered please provide the supporting documentation listed below:

- a plan of the proposed area (in relation to the front and side property boundaries of the business or residence) clearly identifying the businesses which adjoin the proposed area. This does not need to be a professional drawing, a sketch of the area to be used, including dimensions, doorways, location of kerbs, light poles and the like will do
- the written agreement of the occupiers of any premises directly in front of, or adjacent to, the public space proposed to be occupied (once we have received the application, we may need to liaise with other stakeholders in relation to the application).

Describe how this application will support your business' operation, for example:

- provides additional space for queueing (for takeaways, waiting for a table/service etc)
- provides additional seating for service
- helps achieve compliance with physical distancing requirements for passing pedestrians and customers
