

# CREATIVE HOBART GRANTS SHOWCASE

## CELEBRATING TASMANIAN ARTISTS THROUGH THEIR ARTS PRACTICE

Come and hear seven presenters speak about their exemplary Creative Hobart grants projects, lessons learnt and how to best align your creative activity for successful funding.

### Guest Speakers and their Projects

- Hannah Foley - **Aeriform Archive and Wet Breath Exchange**, an exploration of Hobart's 'Bridgewater Jerry' fog phenomenon.
- Joshua Santospirito - **Small Press Zine Fairs**, a popular annual fair with over sixty local and interstate zinesters.
- Lucy Bleach – **Soil Propositions (The EARTH Project)** a project bringing Aboriginal culture, soil science and artists together to reveal the complexities of soil.
- Stevie McEntee - **Queer Momentum**, a musical composition with a nine piece orchestra and the voices of LGBTQIA+ Tasmanians.
- Rose Turtle Ertler - **Dear Tree**, an immersive listening experience celebrating people's connection with trees.
- Emily Conolan and Co - **Letters I Never Sent**, a theatre showcase that explores lived experiences from diverse refugee backgrounds.
- Loren (Pixie) Sammons - **Shred Shed Mural**, sharing the process of developing a street art mural with women skaters.

### Guest Performers
